

Exciting Opportunity to Build a New Integrated Care Program in Beautiful Woodburn, Oregon

Woodburn Pediatric Clinic is looking for an exceptional Behavioral Health Clinician (BHC) to build a new integrated care program. We are a thriving physician-owned rural health clinic that cares for approximately 5,000 patients and families, many of whom speak Spanish as their primary language. We provide full-scope pediatric primary care services for ages 0-18 years. Come join our team of dedicated and compassionate primary care providers and staff!

Here are all the reasons why this job is for you!

- Oregon Rural Health Care Provider Loan Repayment available
- ½ day dedicated program development and leadership time each week
- Annual continuing education up to 40 hours and budgeted funding available
- Competitive salary & benefits package

The BHC will be an integral part of our care team providing screening, assessment, and brief interventions for our patients and families.

The successful BHC candidate will:

- Collaborate with other medical professionals in a fast-paced pediatric practice
- Act as a contributing member of the care team, assisting primary care providers in recognizing, treating, and managing behavioral health and biopsychosocial issues
- Provide brief evidence-based interventions and use outcome-based models to track patient improvement
- Be available for same day warm hand-offs and consultation with primary care providers
- Act as a leader in helping build a successful new integrated care program
- Connect patients and families with resources in the community
- Participate in regular interdisciplinary group case consultations, collaborate with community partner organizations, and coordinate with external specialty care providers
- Utilize knowledge of the most common concerns treated in primary care (e.g., ADD, ADHD, depression, anxiety, insomnia, obesity, parent education, etc.) with the ability to prescribe and manage related medications

Minimum Qualifications Include:

- Two years' experience in integrated pediatric primary care setting preferred
- Psychiatric Mental Health Nurse Practitioner (PMHNP) in the State of Oregon, or ability to obtain licensure within 3 months
- Ability to work independently and proactively to build a flourishing integrated care program
- Ability to collaborate with an interdisciplinary care team and patients & families through effective written and verbal professional communication skills
- Ability to multitask and be flexible in dealing with interruptions, a busy schedule, and a fast-paced work environment
- Proficiency with electronic medical records including ability to document services in a clear, concise, and timely manner within 24-48 hours of each visit (concurrent documentation preferred)

- Ability to pass a background check
- Up to date on all vaccinations
- Spanish language speakers are preferred, but not required

Job Type: Full time 1.0 FTE; Competitive salary and benefits; ½ day dedicated program development and leadership time each week, and annual continuing education fund of 40 hours and budgeted dollars available.

Woodburn Pediatric Clinic is located in the beautiful North Willamette Valley with easy access to everything Oregon offers from snow-covered mountains, coastal beaches, and unlimited outdoor adventures. Woodburn is a 30-minute drive south of Portland. We are a rapidly growing but small community with a flourishing food scene, shopping, wineries & breweries, water activities, hiking, and vibrant farmer's markets.

We value and embrace diversity and are proud to be an Equal Employment Opportunity, Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, gender identity or expression, sexual orientation, age, status as a protected veteran, among other things, or status as a qualified individual with disability.
